*** Explanation of Type of Activity**

- A. Seminars or classroom instruction offered by legal assistant or paralegal associations, established bar associations, universities, colleges, or by other approved sources dealing with one or more aspects of law and the legal profession.
- B. Seminars or classroom instruction offered by legal assistant or paralegal associations, established bar associations, universities, colleges, or by other approved sources, not directly concerned with law, which would be of some benefit to an individual working in the paralegal profession.
- C. Other continuing education in the legal field, such as viewing a video tape, attending in-house training, teaching a class, publishing a paper, taking the CLA/CP or ACP exam or doing any other relevant activity.
